

# SHARPE – STRUMIA RESEARCH FOUNDATION OF THE BRYN MAWR HOSPITAL

## ANNOUNCEMENT OF FUNDING OPPORTUNITIES APPLICATION DEADLINE for 2023 IS FEBRUARY 1, 2023

- Grants are available to support original research by **health care professionals and biomedical researchers** at Bryn Mawr Hospital and other Main Line Health hospitals.
- Priority will be given to research proposals by practicing physicians and other healthcare professionals at Bryn Mawr Hospital. Projects that have the potential to lead to advances in clinical practice as well as those involving physicians-in-training are encouraged.
- Publication of research findings is encouraged; reimbursement for publication costs of funded studies in peer reviewed journals is available.
- Assistance in refining your research proposal prior to submission is available from experienced investigators. Such assistance is strongly encouraged especially for investigators who do not have extensive research experience.
- A maximum of \$50,000 per project is available for a period of 1 year starting on July 1, 2023. A few grants will be considered for an award of \$75,000 IF THERE IS CLEAR JUSTIFICATION in the research and budget sections explaining why the additional funds are crucial to the project. Most awards will be for \$50,000 in an effort to encourage as many research projects as possible. If the project is not completed within one year, the investigator may apply for funding in the next funding cycle.
- **ONLY 1 APPLICATION PER PERSON WILL BE ACCEPTED.**
- Investigators agree to abide by the Foundation's intellectual property policy which is available on the Foundation's website (<http://www.mainlinehealth.org/sharpe-strumia>)
- Please visit <http://www.mainlinehealth.org/sharpe-strumia> and/or contact Louise Gethers for information on application forms and procedures.

Submit a **completed PDF** version of your proposal to:  
[SharpeStrumiaFoundationOffice@MLHS.ORG](mailto:SharpeStrumiaFoundationOffice@MLHS.ORG) and nine (8) **hardcopies**  
by noon on **February 1, 2023** to:

Louise Gethers  
Sharpe - Strumia Research Foundation Office  
130 S. Bryn Mawr Avenue, 6<sup>th</sup> Floor / C-Wing, Room 650  
Bryn Mawr, PA 19010
